Answering Instructions:

Structure of the exam

This exam paper has 5 parts.

Part A is worth 30 marks and consists of 30 multiple choice questions. Attempt all questions. Each question is worth 1 mark.

Part B is worth 10 marks and consists of 5 long multiple-choice questions. Attempt all questions. Each question is worth 2 marks.

Part C is worth 8 marks and consists of 2 short answer questions. Attempt all questions. Each question is worth 3-5 marks.

Part D is worth 20 marks and consists of 5 extended response questions. Attempt all questions. Each question is worth 2-7 marks.

Part E is worth 32 marks and consists of 3 case study questions. Attempt all questions. Each question is worth 5-21 marks.

Instructions about how/where to answer:

Answer in the space provided in the examination booklet.

If there is not enough space for a particular answer, write it on the reverse of a page, and indicate clearly the question number with your response.

Do not tear out any pages from this booklet and do not remove the staple.

If you complete this exam before the set exam duration time, enter your time of departure.

This information will have no bearing on your result.
